### The Story:

Having been let down by 2 escorts from MIC, I phoned the gallery for details and was given details of 4 girls. When I arrived only Lucy was free. Blondes are not really my thing preferring Brunnetes. But taking my earlier let down into consideration and it was getting a bit late I thought why not. What a decision this was, Lucy was dressed in a Black mini dress, Black Bra and thong which came off in a few seconds. Next came a firm massage with me on my front a lot of oil and her body everywhere. Not being able to withstand not getting my hands on her body I turned over paying all the interesting orifices a lot of attention.

Not being one for lasting the distance or putting much content in the bag. We turned to sex in the missionary and could not hold her still, I lasted 4 times my norm plus totally filled the bag. What an exciting blonde bombshell we then carried on past 80 min (only paid for an hour) she managed to get me hard again for a second go as she wanted me to cum over her tits I did not succeed but not for the want of her suck.

I have now put blondes on my list of good girls to see, I realise that Lucy will not be everyone's cup of tea because she is not a normal type of WG if you like a challenge try Lucy but please not this coming Sunday because I will be Back.

I would also like to thank MIC for cocking my night up and giving me my best punt ever. and will I see Lucy again, GOD YES, yes and yes again !!!!!!!!!!!
