### The Story:

I wanted a girl that did owo and swallowed, maxes angels didn't dissappoint. On arrival I was offered a drink. Started French kissing on the couch even before settling the formalaties. Gave a great deep owo while standing. Moved to bed for more owo with great technique. shot a load into her mouth which she gladly swallowed. Then chatted a while and french kissed some more the some more owo. This girl was very intelligent, chatty and made me feel at great ease. Felt on top of the world on leaving. Already planning to see her again.
