the gold room in the parlour, was clean and tidy, had no problem finding the place, and there is parking at the rear

The Lady:

Steph is a petite blonde about 5'4" and has lovely green eyes, is a bit quiet when you first meet her but can be scary if she wants to be, luckily for me she was kind and gentle on our first meeting.

The Story:

I asked Steph if there was anything she didn't do, and on thinking about this she said no,.....we started off by soaking in the pa bath, and having a brew, soon we were snogging and cuddling and I was keen to move on.

We moved onto the bed, where we continued with this snogging and cuddling, as I explored her beautiful body and went down on her for some oral, after some enjoyment, I returned to kissing again and soon we were riding with Steph on top of me, I ended up coming on her pert boobs, and thoroughly enjoyed myself.

I wish this place would improve their web-site, as it's so out of date, if they were to add new photos of some of the folk who work there I'm sure they would increase their business, but I'm glad to say it was quiet when I went in and had no problem choosing Steph.
