The Story:

The second time I have used this agency, I had actually booked to see Alicia who cancelled the day before and I was offered Grace - who has just started working as an escort, I was her second ever client I think. She is very bright, and intelligent with a captivating personality - as far from the 'typical escort' experience as you can get and I didn't feel like a paying client.

Grace is exceptional in the bedroom the nearest thing I've ever experienced to a nymphomaniac - nothing was too much trouble, I just got blown away.

If you ever read this Grace - thanks for a fantastic two hours.
