The Story:

Not been to Karen's before, but on the strength of this visit, I'll be back. Jade is very up for it in the room and we seemed to do just about everything (snogging, shagging, cocksucking, pussylicking, rimming...) before finishing off with the best blowjob I've had in ages. You know the kind I mean. The one where you can feel it slowly building up and the feeling spreads to your legs and you can't move them, but its still not time to cum yet and it keeps building up then BANG! you pop and seem to cum for ages.

Jade was easy to get on with and good fun too. You'd be mad not to go.
