The Premises:

Karens is a parlour on Broom lane, fairly safe area during the day, parked on a side street. Staff friendly and inside its clean, used the downstairs room, large with lots of mirrors.

The Lady:

Celeste, petite with a 36c bust mixed race say in her thirties. Not stunning, but she has a sexy aura about her.

The Story:

For me it's always good with celeste, a short massage then on to some french kissing and reverse O, which she loves. She then gave me OWO, I was standing by the bed, it was excellent, slowly building up mixing with deep sucking and light end licking, finally I shot over her lips then she took me back into her mouth.

If you want satisfaction with a horny lady who knows what shes about then I would recommend Celeste.
