The Premises:

Angels is a delightful, well run Sauna parlour in the busy part of town, but is easily approached discreetly. Very clean, very fresh, very friendly - the gentleman (and do NOT let this put you off) on the door is fun, friendly and puts you totally at ease. I had met Hayley earlier for a drink, and we went up together. A real treat - and the leather beds are FAB!

The Lady:

Hayley is very attractive. She has two big points in her favour (NOT those ones!) A lovely - and genuine - smile; and the most bedroom eyes... ;-) Petite, busty (and then some!) and silky smooth almost all over....

The Story:

I had arranged to meet Hayley at Angels on the Saturday night; however, events in London meant that she absolutely HAD to be there to see to a relative. Unfortunately, on the drive back, her car developed a problem which meant that she didn't get back home till about ten minutes before we were due to meet. Of course, I was happy to accept a postponement given the circumstances, and we agreed to meet the following evening, first at the bar for a quick refresher and then at Angels, nearby.

I recognised Hayley immediately - and with that wicked smile, and confident, cheery attitude and personality, we sat down to natter like old friends over a lovely Chardonnay. Time came for another drink, but as I had a couple of bottles with me, we decided to go straight over to Angels. I was a little nervous, having never visited a parlour before - but this was a treat! The "boss" was friendly and fun; got us some glasses, a DVD and showed us into the room. Hayley asked if I wanted a shower - and yes, after the day I had had, I definitely did. Hayley asked if she could join me....like I was going to say no? ;-)

What a body! What a person! She was delighted that I was almost instantly hard. I was, too!! after a very sexy shower, it was on to the leather bed for covered O and some very nice cowgirl.... I was then (no reasons given here!!) introduced to a very lovely South African lady, who joined us for a

while. We made a suitable arrangement, let's leave it at that!!

Hayley then indulged me in a real treat - no details! - , as she said she felt so relaxed in my company; and I have to say that it was a mutual feeling! Well done, Hayley, a new first!!

This was the Punt of Punts. A great establishment, a truly lovely lady, another extra, and the most relaxed, enjoyable experience that I shall remember for a Very Long Time! Thank you all - what a night, eh?
