The Premises:

The hotel I usually frequent, close to Picadilly station. Reasonable rates and decent service.

About 20, 5 ft 4 or 5, long dark hair. Wears glasses, though not all the time!

The Story:

I saw her on another site before I found her Group. I have seen her in a porn movie - a Fiona Cooper one - using the name Sadie, and I wanted to have my way with this little pornstar!! She is very nice and softly spoken. We chatted about her time in LA doing films etc. Down to the business, she was everything a pornstar should be - very uninhibited, with great, wet Bj and fantastic energetic screwing as well. I noted she did not rush the session at all and in fact stayed over the allotted time. really good.
