The Premises:

Quiet side street with plenty of parking. Room was clean as was the shower

The Lady:

Curly brunette about 5'4", tanned dressed in a flimsy basque and garter, 36c nice nipples and trimmed pussy!

The Story:

Started with a nice backrub and then a cuddle and boob sucking session during which she caressed my cock. Reverse O was a delight because Heather is neatly trimmed rather than the completely shaved look most girls sport these days. O and then mish to finish. I got my full 30 mins which is unusual for me!
