The Premises:

Karen's in Walkden, above a motor accessories place. Not a bad place, but tend to get asked for money upfront. Have been before to see Toni (mondays) - would definately recommend her!!!

The Lady:

ashley is 5'8ish brunette, quite a good figure, attractive.

The Story:

She does OWO etc., but anything unusual she's a bit reluctant; I managed to persuade her to start in the chair, but we still moved onto bed - she on all fours, so I could see her in mirror. Not bad for straight stuff - anything abit kinky - don't think she'll go for it.
