The Premises:

My first visit to the legendary Debbies...

Previous descriptions are accurate. Dingy on the outside but very well kept on the inside. Near station and free parking. Perfectly safe

The Lady:

Wow! Stunning figure with fantastic tits. Beautiful (almost) all-over tan.

The Story:

Kelly is amazing. Much better than her photos suggest and horny as hell. Talks dirty too and an expert kisser.

Asked me what I wanted, and then delivered 110%.

Started with a foamy shower where I could closely study those fantastic tits. Lots of kissing and smiling.

I wanted to see one of her famous orgasms.. she obliged (boy did she oblige!). I finished up in a head lock as she squeezed her legs tight against me when she came.

Then on with the rubber for a great BJ. "Don't you dare come yet" Kelly ordered. I obeyed but with some difficulty.

Finished off with a brilliant shag mish-style so I could press down firm on those fantastic tits and kiss her while I came big-time.

Afterwards we showered each other again (more foam on those tits) and chatted . When we had dressed Kelly laid back down on the bed looking so sexy and seductive. Suddenly I was hard again. If only I had more money with me...

Thanks Babe.

PS Did I mention those fantastic tits ?
