### The Premises:

Scorpio Sauna is located near to Hibs football ground, which you can see as you approach the premises. The area is was very quiet on the day of my visit, with plenty of on street parking available, but I would assume that this would not be the case on match days.

The parlour itself is clean and tidy. As you enter you are booked in by the doorman, handing over your entrance fee of ?20. Once inside you are taken to a small changing area where there are lockers for your clothes and valubles, here you change into a bathrobe. Once changed you can make use of the sauna and showers located nearby. As it was almost 25 degrees C outside I gave the sauna a miss. You then wander down to the lounge area, where you and the girls sit and wait, then when you see some one you like you just ask here to come with you.

### The Lady:

Stacey is a tall 5'9" girl with shoulder length light brown hair. With legs that seem to go on forever. She has a pierced bellybutton featuring a butterfly. Small but nice tits. Not shaven, but only light pubic hair.

### The Story:

Having got changed I sat in the lounge and waited for the girls, who came in and sat down as they finished with their previous clients. At first there were only two girls available, but I was determined to meet see all the choices available. When Stacey I immediately knew that she was the one, especially when she walked over to the drinks dispenser which I was sat next to, and her bum is level with my face. I let her have her Irn Bru and smoke, before saying that I would like to see her.

We move in to one of the many rooms, where she tell me to get comfortable, during which she pops out for just a moment. Once back she starts me with a nice massage.

Then she asks what would I like to do, I tell her that the full service of BJ, Rev O and sex would be perfect.

Almost immediately she's going down on my already hard cock, giving a wonderful BBBJ.

We swap places and my head is down between those fabulous long legs licking her sweet pussy, for a good while. Followed by more oral, then I say that it's time that I fuck her, so on with the condom. Starting with her on top with me playing with her tits, changing to Missionary. Finally finishing off with me wanking of as she shoved three fingers up her pussy, and playing with her clit.

Now normally in most places once you've come its shower dress and out the door, but Stacey says that we still have 5 minutes, so she gives me a further massage, to fill up the time during which we chat about her and her work.
