### The Premises:

As described in previous reports - safe, clean and relatively discreet. not too far from the tube.

### The Lady:

Photos on site are accurate - she does have a great body. what they don't show you is that she is also a very good looking girl. early/mid 20's, curly blondish hair - i can't imagine that there would be many punters who would not fancy her.

### The Story:

service was fine. she has a pleasant enough attitude. started off with a perfunctory massage, decent oral (covered) she didn't lick my balls either which was a shame esp as she seemed as though she was going to. bit of doggy and finished off by hand.

if you've seen zoe at this place, i'd say she's not as energetic or pro-active as her.

all in all a decent enough punt but it didn't sizzle or have that "x factor" which i need if i'm going to be tempted for a repeat visit. but don't let that put you off - she's definitely recommended.
