My place, so no comments.

The Lady:

Tall pretty blonde. Good dresser, knows how to flaunt what she's got. Lovely eyes and even better lips, made for kissing. Very naughty laugh and voice as well, which adds to the fun.

The Story:

I'd seen Sapphire a while back and had wanted to get reacquainted again. This lady is such a good laugh to be with, it doesn't feel like an appointment, it's like a date with a long lost friend. Over some bubbly we caught up and I have to say I am impressed with the way she is dealing with a lot of personal things in her life, which shows great strength of character.

Pretty soon all our clothes were off and she certainly knows how to push all my buttons. Everything she did made me feel like climaxing. Her OWO is wonderful and eventually I had to beg for the real thing. She wrapped her legs around my back and we built up our rhythm and momentum to a most satisfying climax.

No clock watching, no pretences. This is a genuine lady who enjoys a good time and isn't afraid to share it. I hope she stays with us for a lot longer.
