The Story:

I was made very welcome by reception as this was my first time punt I was put at ease very quickly. Picked Racheal from the picture on the wall after being told who was on and shown there relative pictures. went straight up to the room as she had a later appointment and only had 30 mins. Had an oily massage for good fifteen minutes on my back before i was asked to turn over and we discussed business. opted for sex and oral both ways. After more massage on the front and very good hand work around the main area she stripped off to reveal a georgous body and a delightfull pair. She gave me excellent OW followed by sex in a couple of positions finally finishing me off by hand as the nerves had kicked in a bit by then. Altogether an unforgettable first time. I'll definately be back again soon.
