The Premises:

Clean, tidy, flat in one of the more decent areas of Luton.
Discreet - no problems on entry / exit.

The Lady:

As stated Thai / Filipino mix, sexy face, nice tits and nipples, tiny bit flabby round the tummy area but still an overall good figure.

The Story:

Went to Terry as I love a good full massage before extras, opted for full massage with hand job. Offered oil or talc, chose oil. Good deep sexy massage, stroked balls sexily and turned me on no end. Nice slow sexy hand relief made it a great experience. Would have liked a bit of sexy talk to go with it and noticed that Terry had eyes closed a lot of time whilst doing hand job (as if trying to be somewhere else in mind - maybe im being harsh there?) but never the less it was a great hand job and worked wonders for me so i'm not complaining!!
