The Premises:

Nice, clean and tidy premises. Fairly good area situated on a main road. Good security with camera by main entrance. Friendly receptionist.

The Lady:

Above average in size but nice and shapely, size 14-16 dress size. Has nice eyes, dark brown hair and tanned skin.

The Story:

I won't go into loads of detail but she came across very friendly. I believe she is Italian. Her voice has a nice accent, she speaks good English though (apparently some of the other ladies don't). I was quite nervous at first but she was great at helping me to relax, once I did the session was very good. She seemed happy to talk throughout. I don't know what her 'limits' are as I just went for a basic massage and hand/oral. She had a nice sexy look and towards the end she began to flick her hair in a lovely manner. I would go back to her again.
