The Premises:

Rox lives in a small flat off the main roundabout close to B&Q. The room is clean and practical.

The Lady:

She is about 5-10, slim blonde and completely smooth down below. She has a number of tatoos which are OK, She also isnt pierced all over the place - which is a pet hate of mine. Rox, has also put on a few pounds lately which has improved her bust and arse!!!!

The Story:

I have been seeing Rox now for about six months. I keep returning as she does one of the best and slowest sensual BBBJ i have had. We generally start of with pleasentrys / money etc, then get down to it!!! She always listens to how i want it, and never fails to deliver!!!

see you soon Rox!!
