### The Premises:

This was a nice and safe area in big apartment block. there is a guy on reception but you can just walk in up the stairs and along the corridor to the lift. A bit of a labarinth but all well sign posted. Didn't see a soul on the way up so all very relaxed. Appartment very big, she's just moved in so a bit sparce but does it matter the main thing is it's clean and very nice in all.

### The Lady:

This one is a smashing girl, very cute, pretty face and a great body, couldn't take my eyes and hands and ... off those tits - very very very nice. i go weak for the brown eyes and her skin is very soft too.

### The Story:

I felt very relaxed in her company which was great as this is only my 3rd time on this game and felt nervous before i got there. Started off with a nice shower to freshen up with the help of Dina and then onto a really nice time. I needed a lot of control to stop it being all over before it started, didn't want to miss out on all the positions before I left. My favorite was with her on top, definitely a view to remember for a long time - don't miss out on that one when you see her.

She's a girl with a lot of care and i felt like she sincerely wanted to make sure i had a very good time - and i did ;-) She's new to London and there's no doubt I'll be get back and see her again before she gets too shagged out.

One thing to watch out for, this agency has at least 2 other girls with the same sounding name which was very confusing when I booked her up so make sure you're booking the right one.
