The Premises:

I wasnt dirty it could just do with some updating and decoration. he room was very hot and the ceiling fan made an awful racket.

The Lady:

Young Thai girl in her early twenties, this was her first day at Ladybirds but judging by her performance it wasn't her first day working. She is slim with small breasts and a great bum, shaven below and very tasty!

The Story:

A massage before and after the main event, not just a tickle on the back but the full karate chopping and bending of a good Thai massage.

Started with the massage then on turning over we started kissing, long and deep. Covered oral and then it was Anna's turn to receive some attention. I massaged her briefly, we kissed again, spent some time on her lovely pert breasts and then spent quite some time below. She tasted divine!

Sex in a rush and then from behind to completion.

A lovely girl who I would definitely recommend
