### The Premises:

Clean, safe residential area about half a mile west of the railway station. Parking OK. End of the day the parlour felt in need of a good clean up and airing.

### The Lady:

Blonde shoulder length hair, early twenties. Good looking a with a very sexy, slim (but not thin) tanned figure. A couple of tasteful tatoos. Nice tight pussy and very cute ass.

### The Story:

Started with a good finger tip massage. Excellent ball sucking and lower shaft sucking and licking but covered oral (which was still good). Very good cow girl and then on to doggy, (her favorite position!) with Angel looking over her shoulder and really getting into it. She had worked a long day but never the less gave her all to the 30 minutes we had together.
