The Premises:

She has a comfortable and tastefully furnished, upmarket flat in a well designed, gleaming white block of flats by the river that seem to suggest a faintly nautical theme. The area is safe enough. I, myself arrived by train, so I cannot comment on parking facilities.

The Lady:

She is absolutely gorgeous. In her mid 20s, about medium height, she has a perfect figure, lovely long dark hair, dark eyes and a lightly tanned skin. At the less tangible level, she has a very welcoming, slightly naughty smile, and, although very feminine, she seems to convey something of an Amazonian quality as well. Her English is perfect, almost without accent.

The Story:

This Hungarian tigress is absolute dynamite!! This was my third visit to her. I had originally booked her for half an hour, but upgraded it to a full hour of sheer erotic rapture! Her energy is almost unbelievable; this is probably due to the fact that she swims, and regularly works out in the gym, and therefore brings this sportiness to her work. She also has that quality of being able to make a very ordinary chap, in this case one who's seen half a century, feel like Romeo with Juliet; like Mark Antony with Cleopatra; like a hormonal 17 year old with his first pretty girlfriend!

Having divested ourselves of our clothing, as she stood naked and barefoot before me, smiling, I took her in my arms, we kissed passionately, then we made love. I will say no more than that as what passes between a gentleman and a lady should remain for those two alone. Why couldn't I have had a girlfriend like her when I was in my 20s?

Will I visit her again? Is the Pope Catholic and German!!!
