The Story:

For several years I have followed F/R recommendations without contributing but after this unmitigated disaster I have to put the record straight.

Arrangements beforehand were adequate although the receptionist phoned earlier that day (and called me by the wrong name!) even when I specifically said I would ring her when I checked into the hotel.

I had arranged to take Amy out to dinner hence the 4 hour booking (again a mistake as I usually meet the girl first). She arrived on time but appeared rushed and distracted. First kiss was not promising. Went to an admittedly crowded restaurant which made conversation difficult but this is not the brightest bunny in the warren and two hours passed slowly and painfully. Back to my hotel and I could tell her heart wasn't in it. We had unremarkable sex for 30 minutes and then for the first time ever I decided I couldn't take any more and asked her to leave - 1hr 20mins early.

If bowling ball boobs and no social skills are your thing then fine but there are much better girls out there - I know!

After this experience I contacted Pat at 00-44 to book a girl for the following evening just to make sure it wasn't me at fault - it wasn't! See F/R on Edyta of 00-44.
