The Lady:

this girl was absolutely amazing looking, lovely slim body with nice little tits and a face of an angel but that is where the good parts ended.

The Story:

she got to my place an hour late but still wanted to leave at the right time the next day,, we had a drink and a little bit of a chat, her english wasnt very good, we watched a movie then started messing round on the couch before i carried her to the bedroom for sex, few positions,didnt make a noise,i was assured of cim,owo but got none, and even gruded more sex in the morning when we woke.
