### The Premises:

She came to my place, so I felt pretty safe :)

### The Lady:

Quite simply she is my idea of gorgeous - pretty, blonde, slim, fantastic figure (size 10?)

### The Story:

I had contacted her by e-mail on Saturday and when I read her reply it was already 9pm on the Sunday night so I had long since given up the idea. But she said she was up for it if I was and could be round in about an hours time. I didn't need asking twice and it gave me chance to do some tidying up :)

When she arrived the first thing she did was to ring her driver - very sensible - and then we sat and chatted over a glass of wine or two for about an hour. She is definitely good company.

When we got round to the romantic stuff I was even more delighted. I'm far too shy to go into details but suffice to say she is wonderful - I hadn't read her web site very well and I hadn't realised she did OWO which came as a very pleasant surprise.

I've been lucky enough to know some really nice working girls over the years, but Susie is the nicest of the bunch.
