The Premises:

Have been to Valentines a few times before, much quieter at 8pm when the business next door has closed. As clean and tidy as always, having some work done at the moment to make it even better.

The Lady:

I had taken a look at her on the Valentines site, she looks even better in the flesh. Very pretty indeed with a stunning sexy figure.

The Story:

I arrived later than I was planning so I was her last client of the day. The moment she walked in the room I wish I had arrived earlier so that I could have had an hour with her. Continual smile throughout, very freindly and chatty. Opted for full girlfriend, oral without as this was a girl I wanted to kiss.

I'm not going into loads of details, but she is a wonderfull kisser, made me feel relaxed at ease and stiff from the moment I laid on the bed with her. The entire experience was one I shall cherish and I am already looking forward to another visit real soon.
