The Story:

Couldn't see any reports on Jane, so decided to continue with some pioneering and ended up with yet another in a run of excellent recent punts. Perhaps you're not going to get too much in the way of polish from the younger Russian/EE girls, but for sheer enthusiasm, a girl like Jane's hard to beat. Had forgotten what real, full-on snogging was. OWO and sex was just the right side of frantic, and she must have been into it too, as she got very wet quite quickly. Felt a bit like first date sex, if you know what I mean. Held out as long as I could, CIM was on offer but decided to come over her face and tits instead. Top girl!
