The Story:

May Lo is a hot piece of ass, I was here on a business trip from NYC and discovered punternet, saw a previous report on May Lo and wanted to try her and it was an awesome way to spend an hour. I don't want to say too much, but what I will say is I had a great time with lots of sex and met a sweet girl with a lot of character. She seemed to take to the fact I was American and this made her want me even more, I'd like to say I will see her again but it really depends if shes still working the next time i'm in London.
