The Story:

As soon as you meet Gemma you can tell she was once a model. She is tall enough and well enough dressed; but if you want a waif-like twig insect then look elsewhere. She has blossomed into a generously proportioned sexy extrovert bubbly lady just past the modelling age! If this appeals then Gemma will be perfect for you. Whatever service you want. Because, as her web site suggests, she really does cater for virtually all services with an outstanding enthusiasm and generous abandon. I wanted a slow gentle GFE; I got one in spades. And I gather she would as readily have given me a lashing if I'd wanted that rather than a soft intimate sexual experience. Gemma was dashing off to the races as I left, but she in no way hurried me out of the house. I saw the stunning outfit she was going to wear and I realised that this was literally an excellent escort; she would be the perfect companion for Ascot or the Opera or Lords as well as the most friendly and sensual of lovers. She is a truly classy lady who makes a wonderful friend and companion as much as a caring and passionate lover. Unless you want a slinky young teenager as a notch on your sexual experiences belt without any sense of a truly friendly encounter, Gemma will give you a lot of pleasure just by spending time with her.
