The Lady:

Blonde, Russian girl. Absolutely stunning. Met me in tight white trousers and black blouse which hinted at the fabulous body beneath.

The Story:

Led me into a small bedroom with a single bed and chest of drawers and not much else. After dealing with the money and advising the agency that all was ok, Emily began to undress me and to massage my shoulders, whilst giving gentle kisses. She then asked me to lay back on the bed and proceeded to give me oral without. The way she licked my balls, took me completely into her mouth and ran her tongue up and down my shaft was out of this world. We swapped places and I licked her until she was very moist and moaning softly. Once again we swapped places and she gave more oral to me. When I was close to a climax, I asked Emily if CIM was OK. She asked me not to, but then returned to giving me oral as if there was no tomorrow.

Ever the gentleman, I stopped her just before I spurted and she continued by giving me hand relief till I came. She then cleaned me up with wipes and I got dressed and left.

I must say that I like the idea of a half hour session. It gives me a less expensive chance to meet the girl and to find out whether she is my type. If it works out OK, I can book for a longer session next time. Of not... then the pain in the pocket is not too great.

I will definitely be back to see Emily again, however, there are other girls on this site whom I would like to see. If they are as good as Emily, I will be spoilt for choice.
