The Lady:

Jane is an absolute sweetie. She's tiny and absolutely adorable with a sexy little body and lovely smile. I had a quick shower then down to the fun part...Jane is an amazing kisser. Full on and passionate, it was like being a teenager again rolling around on the bed having a "full on" snog with a sexy young girl. Lovely BBBJ, then a bit of reverse oral which she seemed to enjoy and appreciate...then more rolling around and kissing, more BBBJ and a full load in her mouth..! Then she sat on the edge of the bed looking lovely and we had a really nice conversation about where she's from and all that. She's dead smart, very sexy and has a lovely smile...what more could you ask for.

The Story:

I really enjoyed this visit not just for the sexy fun but for the simple fact that Jane is genuine and nice to be around...walked away with a spring in my step. Didn't just feel like i'd had a punt, felt more like i met someone nice and had a really sexy snog..! Can't wait to see her again.
