The Premises:

Karens is a little old fashioned but friendly and clean. Offered chocs and drink. The room was a good size with a double bed and a few mirrors around. Parking available around the back. My first time to Karens and I was impressed, it;s a pity that the website is so limited.

The Lady:

More mature lady - about late 30s. Pretty face and lovely voice. Shoulder length straight dark brown hair that was very soft. She was wearing white bra, suspenders and g srting.

The Story:

Had a shower firs in the upstairs bathroom and then went into the room. Waited for about 15 mins for Bianca. Got on the bed for a massage with her using her hair and breasts well. Turned over for amazing oral - I could have stayed there for ages. After 10 mins put a rubber on and I went on top. She allowed kissing and seemed to be enjoying it. I then put her legs right up and she had no problem with this. She then asked if i wanted more oral, I could not resist. I finished by cumming in her mouth and all over her hand. Showered afterwards and then said goodbye. Really nice punt from a lovely lady that has a great smile.
