The Premises:

Very cosy 1st floor flat. parking was very close and plenty of spaces.

I did not go straight to flat due to Morgans security checks. The flat is on an estate on the outskirts of High wycombe

The Lady:

Early fifties extremley well dressed with a nice pink two piece outfit
her looks including her body matched her clothes well presented in all aspects. As a person she was very welcoming and friendly

The Story:

Was offered a drink and after dealing with the paperwork. We sat on the sofa kissed and gradually undressed each other. On proceeding to the bedroom we both got really down to action. A lot happened on the bedroom. then back to the lounge for some refreshment. Then a fininal session in the bedroom after which we were both grinning like cheshire cats
