### The Premises:

Marnie's Place is easily found from central Morecambe with the aid of her receptionist Nathalie's excellent instructions

### The Lady:

Marnie's a pretty 49 year old lady with cracking big boobs and a great body (for her age). Although this type of lady might not be everybody's cup of tea I personally felt she was very sexy and knew exactly how to exploit it.

### The Story:

Started with a quick kiss with tongues and a play with her boobs before getting down on the bed for a unscented warm oil massage. Soon was turned over for some OWO then she oil up her boobs and slipped my cock between them before stripping off (kept her stockings and suspenders on) and inviting me to lick her pussy and ass.

After I'd been down for a while she finished me off between her slippery boobs. I came on in and around her mouth then we kissed again which I found very horny.

Had a shower and chat and got on my way.
