The Premises:

Basement flat as previously described. Clean and safe.

The Lady:

Blonde girl as per the photos on the website, but really better looking in person. About 5'6" with good figure: nice breasts and partly shaven.

The Story:

Called the agency to see Emily again as I had had a good time with her previously. She was not working, but Ilona was suggested as an alternative.... What a good choice!

She undressed to reveal that wonderful figure and lay down on the bed, inviting me to join her. I wasted no time in doing just that and began to kiss her all over her body, paying lots of attention between her legs with my lips and tongue. She became very moist and was moaning gently when I came up for air.

As I lay back, Ilona began a slow BBBJ which brought me to the brink a couple of times. I asked her for a condom and entered her in missionary position. She cuddled gently as we rocked together and very soon afterwards, I came.

All in all, it was a lovely experience and one I hope to repeat with her soon, although next time, I will stay longer.

Highly recommended.
