The Story:

This is a belated FR on the first two Lady M parties I attended -- one on 10 . I had a truly terrific time at both of them.

The first party with India, Serene and Melissa (at which India fully participated in two bouts involving the love swing) brings a particular smile to my face. Mind you so does the second party attended by Serene, Jessica and Sophia at which India was hostessing but I briefly but quite memorably tempted her to play.

Exact details of who did what to whom, when and for how long, are superfluous. At both parties the girls were enthusiastic, gorgeous and skilful. The team on each occasion was a mixture of seasoned party hands and girls new to the scene, all differing and equally pleasurable company.

The love swing and the enthusiasm with which it is used adds an extra dimension at a Lady Marmalade party. It is not to be missed but is not for the faint-hearted.

A special word of praise too for Moss's organization of each event and for the good quality food and drink which is provided.

I have since been to parties at Lady M's new venue in Paddington and am happy to confirm that the high standard remains intact -- FRs to follow.
