The Premises:

Average flat in Kensington Olympia. Plenty of parking, though i was a little surprised to find the area not as great as expected.

The Lady:

Slightly more mature than what she's been put out as. Probably late 20's. Good figure and average size boobs.

The Story:

This agency seems to have appeared very recently and i suspect its another front for newstars as most of the girls on the newstars site are now here.

Dana provided a very satisfying service, and proved her ability to take a good pounding. She paid good attention to my nipples and used her tongue to good effect, including licking my balls.

Bj was without, and she could improve in this area slightly, as it wasn't quite deepthroat. She provided this to cim and then went to the bathroom for a rinse.

Second round consisted of some good hard shagging in mish and doggy and ended with me wanking over her tits.

Not a bad shag. Wouldn't return as there are plenty of other girls to see out there but she's recommended.
