The Story:

Visiting on business for the week i decided to follow the advise of a previous post who had recommended Maria.

Ok massage to get things rolling, quickly moving onto the business end of things. No OWO was on offer (as per previous report) which was a shame but a great GFE none the less, kissing etc on with the rubber and started off with her on top and changing positions a couple of times. without going into explicit details, an excellent time was had. A very friendly girl and if im back on business soon, I shall return.
