### The Premises:

Hotel, anonymous. Seemed like she lived there.

### The Lady:

Fake blonde, roots showing. Cartoon size fake tits. Awful fake tan. Nothing like her photo. Jordan without the charisma (if Jordan had any)

### The Story:

She was bored, uninterested, going through the motions. She had the worst ever faked orgasm. Her oral was so poor, I ended up finishing myself off. 200 quid not even worth the price of a Big Issue, very disappointed. For a weeks wages (for me) I really did expect something more than I'd get in Soho for 20 quid.

As i'm a soft touch, I didn't ask for my money back, it was that crap!
