The Premises:

First time I have been there, very discreet at the back of an industrial estate although next to a tyre fitters who were packing up for friday night.

Clean place, nice bedroom, new shower and Jacuzzi soon, shame I love some water fun.

The Lady:

Called before I went in and chose Dannielle, early 20's 5ft7, very slim fit attractive girl, fabulous boobs, arse and legs

The Story:

After feeling a little hot and horny with my previous massage by the lovely Louise at essential massage who does not provide such treats (shame), I needed some attention on my one eyed trouser snake so I headed to meet Dannielle. Fantastic decision, really nice russian girl, head screwed on, sexy as hell and a fabulous body with boobs (34b?) to die for, the type you want to eat with great nipples. She mentioned a forthcoming boob job which was unnecessary in my books but I'll be back to check on them I think.

Slipped on a rubber, Dannielle proceeded to give me oral before riding me on top, slipped into her nice and slow enjoying her shaven pussy. She knows how to squeeze which was nice. After a couple of mins I asked for some missionary which she obliged me with wrapping her long slim legs around me. I could have come had it not been for my desire to finish off doggy stile. Flipped her over to the said position and boy what a fantastic way to finish off. Lovely hard body, firm arse and great tits to squeeze. Nice tatoo on lower back. As I came, she pushed back nicely, grinding her bum into me. Quick chat after then left.

What a great afternoon, my stresses have dissapeared for now.
