### The Premises:

The maid showed me to a grotty bedroom in a state of renovation, luckily the bedroom where we DID go was really nice - one whole side of the room was a big mirror

### The Lady:

Indian - about 25

Long dark hair, size 14 (bit of meat on her bones in other words), soft skin and lovely feet.

Really, really friendly who basically let me do what I wanted :-)

### The Story:

Strange punt this one as it was totally spur of the moment - back from work on the train after a bit of a session on booze and Columbia's finest export feeling horny as hell.

I actually gave her a nice massage all over giving special attention to her feet which got her squealing - as I straddled her I rubbed myself in the crack of her curvacious buttocks which she seemed to enjoy.

Went down on her and she sucked me (condom on) - did missionary on her while sucking her toes - finished me off with her feet.

I so want to marry this woman - BEST PUNT EVER ! (no joke)
