The Story:

lucy met me dressed in sexy underwear,susseys and fishnet stockings! felt the old snake rising to occassion right away! paid 120 knew i would cum quick so opted for twice, lucy started with a nice back rub but the sight of her scantily dressed body i was ready and raring to go!! she took hold of the situation she led and i just followed,wow i knew she was good with her mouth as saucy and friendly but when she stopped talking it was my head banging as she got my first quick load!! proud of myself for picking the cum twice,initial introduction over i was master and controller for the 2nd or so i thought,again lucy took control she stradled me while chatting dirty to me saucy little minx. time went too quick after many different positions great fun and finishing off with the owo i was well and truly fucked. definately worth every penny nxt time i will do the hour and maybe get control of this fire cracker!!!
