The Premises:

Terraced house near West Wycombe Rd. Downstairs is very basic but the rooms are pleasant enough. Enter house on the side not front door. Parking in the streets around the house but not a luxurious area.

The Lady:

Blonde early 30's nice boobs very pretty and with a fantastic personality. She is Louise from Kisses!

The Story:

You know how it is you just need a pre-football quickie so off to Sam for a good seeing to. Sam emerges having had a serious party the night before. So do we have a lack lustre session - no. As always Sam dives on me as if I have the only cock she has seen for months.

A bit of reverse "O" and Sam's hangover has miraculously disappeared - this girl will be bonking on her deathbed. As always total enthusiasm, tons of warmth and a lovely line in filthy chat.

All sorts of rumours at Ruby's including a change of premises to something far nicer locally which will be a real fillip. This new place has a power shower and Sam tells me she does naughty things with power showers.

Mmmm Sam is a Chelsea fan (No one's perfect!) wonder if I should get her dressed up in the kit and then get her wet.

Actually she is always wet thinking about it
