The Story:

I have been interested in attending a party for some time now. Plumped for this one on the basis of field reports and have to say, I was not disappointed. The set up and layout were very reassuring and the ladies were very welcoming, friendly and, I have to say, very demanding. The other men were friendly with quite a few of them regulars. As for the bedroom fun, just as I had read in other FRS, very hot and enjoyable with very eager ladies. Definitely worth another visit.
