### The Premises:

was at my house

### The Lady:

wow what can i say atotal knockout. was a bit worried before hand had some real mosses from escort agencys previously but with bobbi i wasnt disapointed. long blond hair and a perfect physic genuinly huge boobs on a tall slim size 10 - 12 figure as arse to die for as well. she left me a happy man!

### The Story:

we started off with the genneral chit chat and i found her intelegent and easy to talk to. then came the good stuff shes amazing in the sexual department to. best blow job iv ever had you can tell this girl likes what she does
