The Story:

Having had a great BBBJ a week earlier in a one-hour incall, I invited Jane round for an overnight visit

We chatted, showered and then moved to the bed, where the passion of her french kissing was a real turn on. She then moved down to give me a fantastic BBBJ which is one of the best I have had - firm and strong, with variation and long-lasting.

We then went through several more moves before falling asleep in each others arms.

She is intelligent, attractive, hygienic and sexy. I look forward to more visits this summer
