The Premises:

First class parlour. Superbly decorated and furnished. Large beds and mirrors in the rooms. Nice waiting lounge with TV, drinks and folders containing punternet reports of girls working that day. Usually 4-5 girls working daily.

The Lady:

Leah is a mixed raced lady with lovely brown eyes. Boobs are enhanced. Slim and petite is how I would describe her with a beautiful face.

The Story:

I had been wanting to see Leah after reading the numerous very positive reports about her. She kisses passionately deep and wet. Her BBBJ is beyond belief. Her pussy and arse taste like candy it's that sweet. After fucking her in several positions I opted for CIM (10 for OWO and 10 for CIM). Looking at her beautiful face while fucking her was just unreal. I inserted my cock in her mouth and she expertly sucked it till I came. I must have hit the back of her throat with my spunk because I was saving a few days worth of the stuff. She discretely emptied the contents on a tissue and we both showered afterwards. This was one punt I won't forget in a hurry. Absolutely brilliant.
