### The Premises:

My hotel in New Street

### The Lady:

Beautiful and very professional looking in a black skirt and jacket. Pics on her website have always made me wonder how pretty she really is (as no face shots) but trust me she is gorgeous.

### The Story:

First time I have had a 'punt' in a few years, so was a little nervy to say the least. Spent a while just chilling in the bar at first, then went to my room. Everything was as previous reports have stated.

She is a true gem.

Gorgeous, sexy and definitely a dream girl.

Will I re book ??

Too damn right I will !!!
