The Premises:

My second visit to what must be the south west's parlour with the least discreet entrance. Executive VIP Massage right opposite the back door of the UK's largest naval base is obvious enough but a large picture of a leather clad dominatrix on the shopfront leaves no possibility you may just be a frazzled MD in search of a neck rub. Oh well, needs must be...

A basic but clean parlour but without a shower at the moment.

The Lady:

Sasha is a pretty girl-next-door type of 21 with dark hair and very nice eyes. Probably a b or c in the bust department.

The Story:

Her great attitude ensured we had a very pleasant half hour during which we played all the usual (covered) games and enjoyed a great cuddle too. Sasha is good to talk to and I wished the session had been longer - maybe next time...
