### The Story:

It was Friday - my heart was full of lust and my tongue was feeling sinful.

When I arrived, the maid showed me into the room. I was just straightening the pictures on the wall when Carla walked in. She was dressed in the same underwear as in her website photographs - which was a nice touch. In the flesh, she seemed slightly thinner and slightly prettier than her website pictures suggest. This was a pleasant surprise.

You know when sometimes a girl undresses, and you discover her tits are droopy, her arse is saggy, and her skin is a patchwork of tattoos, rashes, studs and stretchmarks? Well, Carla is firm, pert, and blemish-free. I could write a whole field report just on her succulent breasts. She's 25 but has the body of an 18 year old. She must be a close friend of God, because when he was handing out bodies, he reserved one for her that doesn't age.

We sat on the bed and she told me she does everything but CIM and Anal. I mentioned that I'd like to try a BBBJ and Reverse Oral: these are two things I don't usually try ? not since the incident in Nottingham in 1999 involving the buck-toothed girl with the rancid fanny.

We started with a bit of kissing, cuddling, and caressing. Then we tried tit squeezing, nipple flicking and fanny fondling. Then it was on with the main event. I'd told Carla that I specifically wanted to lick her to orgasm, if possible. Thankfully, she seemed as keen on the idea as I. She lay back and positioned a pillow beneath her hips. I then followed her instructions of where to lick and how to lick. ?Up a bit...Down a bit?Left a bit?Right a bit?Caress it here?Suck it there!? She tasted nice and fresh and I enjoyed pleasuring her. As time passed, she got very excited and ground her shaven

fanny so hard against my face I feared I may get stubble rash. ?Yes?yes, down a bit.  
Faster?faster?yes?Yes?YES?..YEEESSSSSSSS!?

I think she climaxed!

She took a breather and we nibbled, pecked and played with each other. Carla noticed that I was leaking pre-cum from my Jap?s Eye, and she thoughtfully rubbed it on her nipple so I could lick it off. It tasted sweet and fresh. Then we engaged in some BBBJ and 69. I confess that her BBBJ was so nice I decided to forgo having intercourse so she could carry on sucking my cock. I soon felt the inevitable moment draw close. She removed my cock from her mouth and wanked me against her right breast. I held my breath, I tensed my legs, and finally I squirted willy cream all over Carla?s hand and tit. She gently squeezed every drop from the well. She held up her hand with her fingers parted ? there was so much spunk, she looked like she had webbed fingers. I felt proud.

In summary, this was an unadulterated, fullfat Girlfriend Experience. Magnificent!
